Dear Prospective Team Sponsor,

Our league appreciates the support of our sponsors over the many years we have provided our youth with baseball and softball. In 2020, we shut down our spring season as we all learned how to live with the pandemic. Prior to the shutdown, we printed our team jerseys with our sponsor names. Thank you for your support in 2020.

In 2021, we intend to use these shirts for the players. Given the situation, we have no team sponsorships available this season. We will accept your generous donation for the sign sponsors that hang on our fence on Westfield Ave in Elizabeth. Please see our sponsor form document posted on our web site for more information.

Thank you for your support,

Respectfully,

Manuel Medina - EYL President

Thank you for your support,

Rich Duran, Carole Acton, Susana Borga & Ralph Abbate - Sponsorship Committee
